Subject: Northeast Juneau County Groundwater Investigation

Good morning Cheryl,

My name is Ex. 6 Personal Privacy (PP) and I am a Hydrogeologist with GZA GeoEnvironmental, Inc. I spoke to Jennifer Wilson last week regarding the Northeast Juneau County Groundwater Investigation that was conducted by the U.S. Environmental Protection Agency, Region 5 from April 30 to May 3, 2018 in northeast Juneau County, Wisconsin. I have read the investigation report, however, I remain confused on how the groundwater samples were collected and from what depths. Any information would be much appreciated.

Thank you in advance,

Ex. 6 Personal Privacy (PP)
